I am just joking dude and I wasn't a kid fan, but I did like change anything...I really like his character design, his with Luffy, and he had so much potential, and he got the Lmao. Point is I didn't change sides, All I said back then his sleeves  
and Ngl I thought Kidd was gonna put up a decent fight chapter... but seems like he didn't come up with any plan Kidd.

Plot Armor isn't the worry of your concern. The one thing I like about Luffy is his "Adaptability". Unlike Kidd, Luffy has a pretty good fight start, we have seen how Luffy is pretty crafty when it comes to fighting. When he loses, he finds a way to get up, reflect and learn on the mistakes he made. Whereas for Kidd, I feel like he's more focused on building up and upgrading his arsenal. In what we call the "MC spirit", Kidd is more focused on building up his own capability but when it comes to all rounded versatility, I feel like Luffy is better at that. The guy never learns unlike Luffy. Which is one of the reasons why I like Luffy more than Kidd. The fact that Luffy may appear dumb at times, but he's actually very smart.

I think Luffy's smart... He's dumb in a sense but he's pretty smart. He's not the type of person who would do something just because it's a joke. Like He got that MC spirit but without it, he would have survived if he did such stupid stuff, I mean he would have survived if he had Plot Armour....

I agree. Luffy is smart, he has a good insight of people. He's not pay attention to detail and ignorant to things as long as he's not bothered by them.

Luffy just doesn't care about lot of things, he's a chad.. He's not bothered himself with things that doesn't concern him but he's always there to save people and kingdoms. Luffy's my fav. MC of all the MCs.

To be fair, Kid never fought Shanks. I think it was implied which means he most likely saw nothing of Shanks skills other than he can't win against Shanks' commanders who are commanders AND the captain at once lmao

"Even if he loses, he finds a way to get up, reflect and learn."

That's just also part of the MC plot armor lol. Half the time he learned off screen and pops it mid fight. Gear 5 just brute forced and ended fights on gatling gun or big character doesn't get any more opportunities. The writer shines. He's a scapegoat to show the difference between him and the other characters. He gets taken out by Blackbeard or something to signify

Kid did something most other characters can't make S power instantly because of the fire power Kid was about was SWEATING and PANICKING.

bro you are such a clown. you literally got caught in 4k literally predicted the outcome "cant go out of their cor you're here talking about plot armor, but you don't know thought he was stronger than he was which resulted in got him killed (allegedly, it's OP) his whole character wa a skill difference, same with law vs bb. its funny going comment section constantly trying to defend your chai who have less than 5th grade reading comprehension : and not the way its actually wrote. that's the issue.

bro... what did I even said? like I said its cool how kid is U have to fight yonko's now... if u dont wanna then u eit piece... its not like he had any other way... luffy too wer shot... and I think u didn't get my joke... I said that Kid ε full confidence but unlike a real mc his defeat will be tr going in with full confidence and getting one shot won' section? I only talked about kid in these 2 chapters, and about him... I only said that maybe kidd might have a p judging me by my one opinion that u disagree with and like and not how its written... cool

This is so true... I can't feel satisfied with how Oda end probably... or at least I wish for that to happen. idk wha will be dead or something... he may return as an prope come back strong. I mean losing his whole crew is big. but if this is it for Kidd then I am disappointed, Kidd loc character design.... but not many cares about kidd so p that I care. I will put my faith in Oda and accept whatev

Hopefully he does not return, he offers nothing to the e  
thing for the manga. It shows how strong Shanks is, it  
other stronger protagonist, and someone had to do it b  
in the end game now, characters should start dropping

This seems too simple for Oda. Building long time a ch

We met him all the time during adventures. Why just er  
creating him.
